All-Purpose Workbenches

1 Welded Construction

Legs are made of heavy 13 gauge steel and welded into a one piece rigid framework.

2 Multiple Leg Options

Flared style legs provide wide stability, and holes in feet permit bolting to the floor. Adjustable style legs add versatility.

3 Choice of Work Tops

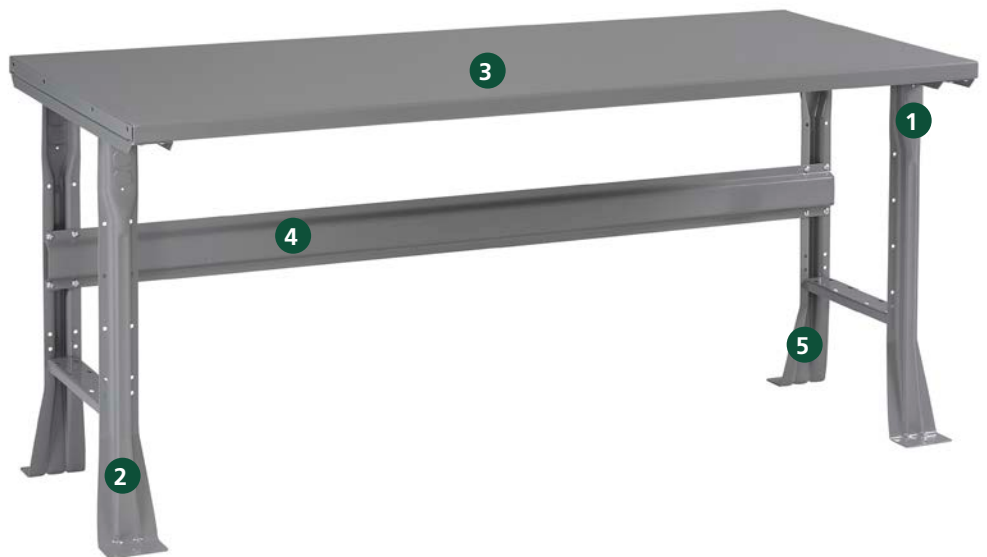

Four durable top styles to meet your capacity and design needs.

4 Stringer

14 gauge stringer connects legs together for added stability.

5 Durable Finish

Painted with tough, long lasting epoxy finish.

Tops are available in:

Steel

Hardwood Butcher Block

Compressed Wood

Steel Top with Hardboard Laminate

All Purpose Workbench Options

Drawers

Stackable, lockable storage can be added to all multipurpose workbenches. Can be mounted on top or underneath.

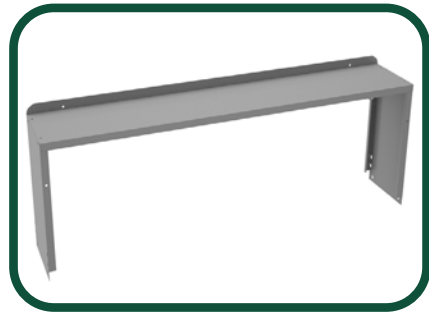

Lockable, 25" hanging drawer.

Risers

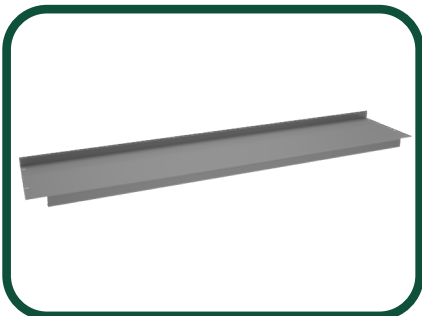

Electronic riser provides extra storage space plus convenient electrical service for power tools, test equipment, etc.

Workbench riser adds extra storage to workbenches.

Lower Shelf

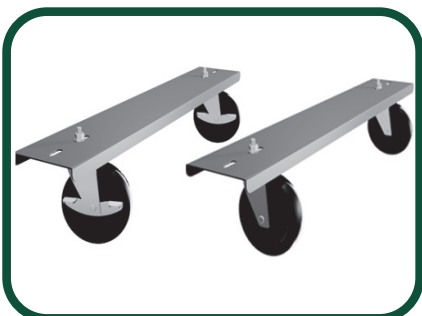

Increase workbench storage space below work surface.

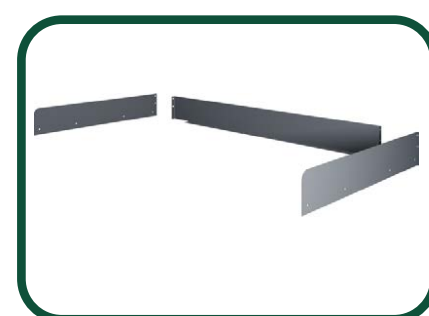

Full width shelf adds storage space and a handy footrest.

Accessories

Caster wheels for added mobility.

Side and back rails contain parts and small objects.
